

LAKE ST. LAWRENCE CONTROLLED HUNT AREA 2022 WATERFOWL HUNTING RESTRICTIONS

In addition to the regular hunting regulations, the following restrictions apply:

- All hunting is subject to the availability of access points at the discretion of the St. Lawrence Parks Commission.
- Vehicle parking is only permitted at the designated access points during an open season for migratory birds.
- No parking is permitted at the designated access points between 2100 and 0400 hrs.
- By parking your vehicle at a numbered stake at a designated access point, you may hunt at the hunting point corresponding to the numbered stake for a full day.
- A maximum of 2 persons may hunt at one hunting site and they must hunt within a nine (9) metre radius of the stake.
- Shotguns must be unloaded and encased except while occupying a hunting site.
- In order to retrieve downed game birds, a watercraft or canine retriever is required
- The only legal game are ducks, geese, coots, rails, gallinules, snipe and woodcock and cormorants.

NO ADVANCE DRAWS WILL BE CONDUCTED THIS YEAR.

ALL HUNTING SITES ARE AVAILABLE ON A FIRST COME, FIRST SERVED BASIS AFTER 4 AM.

The Canada goose hunting season for WMU 65 is:

**September 8th to September 18th
September 24th to December 28th**

Refer to the Migratory Birds Hunting Regulations Summary for complete details concerning the hunting seasons for other migratory birds.

Hunting sites can be accessed from the following hunter access points:

**Sites 1 to 6 – Mille Roches boat launch
Sites 7 to 9 – Hoople Creek Wildlife Area
Sites 10 to 20 – Farran Park
Sites 21 to 26 – Riverside-Cedar Park**

The Long Sault Parkway will be gated and closed to all vehicles effective November 15, 2022. Parking stakes for hunting sites 1 through 6 will be moved to the Farran Park access point at this time. Please note that the Parkway may close prior to this date if weather creates or has the potential to create unsafe road conditions.
